

PSOTC MISSION

Acting as a NATO Partnership and Regional training centre, PSOTC performs individual education and training of military personnel, police officers and civilians from BiH and other countries in domain of PSO-focused collective security operations, in order to contribute to development of BiH MoD and Armed Forces capabilities for participation in NATO, UN or EU-led collective security operations, thus supporting the overall BiH contribution to international peace and security.

MOBILE TRAINING TEAM

The MTT delivers training both within BiH and to other countries. The MTT is tasked organized and often includes military and civilian trainers from other international training centres and academic institutions. Specific training efforts delivered by our MTT are:

- Providing NATO compatible underpinning doctrinal and tactical knowledge for PSO/COIN operations, Gender and Building Integrity,
- Increasing knowledge, skills and applications related to the Military Decision Making Process (MDMP) and staff procedures,
- Exercising the practical application of the MDMP, doctrine, tactics, planning and execution of PSO/COIN operations,
- Preparing the participants for potential operational deployments and appointments in multinational HQs.
